

**Remarks:**

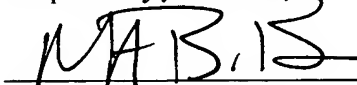

Applicants have provided a Substitute Sequence Listing to correct the errors in the Sequence Listing of Record pursuant to 37 C.F.R. § 1.821(g) and in accordance with the Notice. Applicants have amended paragraph [00124] at page 36 and Table 2 at page 58 to insert sequence identifiers where necessary. Applicants have also amended paragraph [00125] at page 36 to insert the ATCC Accession numbers and date of deposit of the hybridoma deposits already recited in the specification. Accordingly, the amendments to the specification introduce no new matter.

It is respectfully requested that the documents enclosed herewith be entered into the file of the above-identified application. Applicants respectfully request that the Substitute Sequence Listing submitted herewith replace the Sequence Listing of record in the instant application. An early allowance is earnestly requested.

It is believed that no fee other than that authorized in the Petition for Extension of Time submitted herewith is required for the filing of this response; however, in the event that any additional fee be required, please charge Jones Day Deposit Account No. 50-3013.

Date: July 31, 2006

Respectfully submitted,
